

IMPLEMENTING PARTNER FACTSHEET

Gender-Based Violence Workstream

Project Brief

The project will be implemented to empower and build confidence of Women and Girls Survivors (WAGS) of Gender-Based Violence (GBV) including Women and Girls with Disabilities (WAGWD) in target districts to claim their rights to access essential services. It will also build capacity of duty bearers/service providers to increase their knowledge on Women's Right, GBV and related policies and guidelines so that they will effectively fulfil their duties in providing services to WAGS including WAGWD.

Project Outcomes

- Women and girls including WAGWD in target districts are working together as networks to influence duty bearers to respond to issues related to GBV including referral for services.
- Duty bearers/service providers in target districts have increased capacity to implement policies/guidelines related to GBV and provide essential services with greater inclusion of WAGWD.
- Increased access to essential services for WAGS of GBV including WAGWD in target areas following minimum standards adopted by government ministries.

Key Interventions

- Build capacity and confidence of women support groups including women and girls with disabilities to raise awareness on GBV and to report cases or seek services
- Support establishment of GBV working groups and provide training to members on key guidelines/standards including GBV and disability inclusion
- Rescue and referral of GBV cases
- Provide psychological and legal counselling to GBV survivors
- Provide safe shelter to GBV survivors
- Economic support to GBV survivors to rebuild their lives

COVID-19 Interventions

- Enforce suitable hygiene practices and social distancing measure throughout all safe shelters
- Adapt services for the provision of psychological and legal advice to GBV survivors during the COVID-19 pandemic.

Beneficiaries

- Direct: Women and girls including WAGWD that are experiencing or at risk of VAWG.
- Indirect: GBV working group members, members of women's support group, WAGWD members of WAGWD Self- help groups and community members
